LABOR RECRUITMENT AND EMPLOYMENT SERVICES

We are specialized in bringing in manpower for companies, establishments and individuals and assuming necessary procedures for having their visas issued. Includes third-party recruiters specialized in listing employment vacancies and referring or placing applicants for employment.

MEDICAL MANPOWER SUPPLY

Includes offices specialized in supplying medical manpower for governmental and private medical facilities, such offices will provide the sponsorship for the concerned persons.

EMPLOYMENT PLACEMENT AGENCIES

Our company contracted to hire and staff employees for other companies. We have a file for each employee noting their skills and work history. This helps us match employees to new assignments. We can help companies simplify the hiring process for entry-level and mid-level jobs. We also offer both the employers and employees flexibility that more permanent work arrangements do not.

ONLINE EMPLOYMENT PLACEMENT AGENCIES

We offer assistance to job seekers in finding suitable employment opportunities. We identify the most suitable candidates for the roles advertised and notify job seekers of potential opportunities. We also provide support for job seekers in the form of career guidance and advice on how to make a job search more effective.

HUMAN RESOURCES CONSULTANCY

Includes studying the functional technical, psychological or behavioral problems facing the employee, diagnosing problems and providing solutions, including preparing reports, advice, designing professional and administrative programs and proposing the training that helps overcoming problems and enhancing performance, this activity does not allow practicing labor recruitment and employment brokerage.

IMMIGRATION SERVICES

Includes offices specialized in offering consultancies and services to immigration applicants, whether the immigration for work, investment or family re-unification abroad, provided that the local rules and regulations governing such process are observed, it involves assessing the applicants as per the hosting countries requirements, screening the documents and advise on what needed to support the application, prepare a complete file and submit to the concerned authorities, follow up the procedures and answer enquiries and provide the additional needed documents, qualifying the applicants to pass the personal interviews made by the representatives of the hosting countries.

TOUR OPERATOR ACTIVITIES

Travel, we believe, is the best way to learn life's most important lessons. Serving our clients by providing fantastic and memorable travel experiences so that their holidays become lifelong memories. We hope to provide best memories and experiences to all travellers.

INBOUND TOUR OPERATOR

Includes firms that organize local incentive tours or tours for foreigners to attend conferences and events, it involves handling visas, transport and residence, permits from the competent authorities are required when organizing outdoor events.

OUTBOUND TOUR OPERATOR

Includes firms that organize and sell tourist programs abroad via travels and tourism agents.
